Graduation Time is Coming! It is high school and college graduation time and we are planning to honor all graduates. If you would like your family member included in the slide show at our upcoming Sunday Service in May and also included in our Horizon Happenings e- newsletter publication, please send Natalie (admin@horizonchurch.com) a picture and short description of where they are graduating from and what their future plans are (college, work, etc.). Please send this information to Natalie no later than Monday, May 7th.

Wall of Water for PRM - The Phoenix Rescue Mission (PRM) collects bottled water to distribute to the homeless during the hot summer months. PRM recently reported that their warehouse is empty, and they have put out their annual call to replenish their stock. Horizon has contributed between 60 and 100 cases of water each of the past four years. Let's do it again! Please bring a case or two (or three or more) and put them in the Hub to create a Wall of Water for PRM. Each case will cost you about \$3, and you can often find bottled water for less at local groceries. Thanks for supporting this mission opportunity with PRM!

Pianist Wanted Is there someone in our midst with piano skills who would like to join our Horizon musicians? This position is available now. It would involve practice on Wednesdays and Sunday Worship service. If so, let Pastor Joe know. Thanks for your consideration.

Visit from a Deacon Do you know of someone who is shut-in, has not attended church in a while or is looking for a church home, who might welcome a visit from a Deacon? If so, please call or e-mail Lois Brauch at 480-759-1281 or lbrauch@gmail.com.

Phoenix Rescue Mission The group serves dinner at the Phoenix Rescue Mission on the second Thursday of every month from about 3:15-6:30pm. Anyone is welcome to join us, including families. If you are interested in serving, write on your Connections Card, or contact Joan Hadley at 480.734.7736 or gramie8angels@gmail.com.

Driving, Helping, Caring As we all age or develop health issues we sometimes find ourselves in need of a ride. It's difficult to ask for help when we have been independent for so long. We have our church family who are caring, generous, and helpful Christians. If you need transportation assistance, to and from church, grocery shopping, doctors' visits, etc. or would like to provide transportation, please contact one of our Deacons or Natalie in the church office at 480-460-1480.
