Audio in the Hub If your child gets fussy, or you just need to stretch, feel free to relax in the Hub just outside the Worship Center, as the audio connection is loud and clear in that room.

A REFRESHING COLD BEVERAGE Did you know we have water fountains in the Hub? They are at the north end. There is always cold, filtered water available in the pitchers along with sodas and bottled water in the kitchen refrigerator (\$.50 for soda, \$.25 for bottled water). Please help yourself.

Coffee Hour & Refreshments Our Coffee Hour/Refreshment team is looking for new team members to help out on Sunday mornings with fellowship time following our Worship Service. Visit from a Deacon Do you know of someone who is shut-in, has not attended church in a while or is looking for a church home, who might welcome a visit from a Deacon? If so, please call or e-mail Lois Brauch at 480-759-1281 or lbrauch@gmail.com or contact the church office at 480-460-1480

Media Tech Team is a vital ministry responsible for enhancing the worship experience on Sunday. Duties include worship slide projection and audio/sound mixing. *Adults and youth*, would you consider joining the team? Helping in media ministry is a fun and practical way to help us make our Sunday service happen each week. Contact Sandy Castle at SandraCastle@aol.com.

Restocking our Food Bank Donations Thank you for your continued donations. The food on the Pantry shelves in the Hub is given to the needy each month via donations at the church and through the Phoenix Rescue Mission and Matthew’s Crossing. You may donate any time, and the donations support our neighbors who need assistance.

Phoenix Rescue Mission The group serves dinner at the Phoenix Resuce Mission on the second Thursday of every month from about 3:30-6:30pm. Anyone is welcome to join in the fun, including families. If you are interested in serving, write on your Connections Card, contact Joan McMullen at 480.759.5976
